About Us

Founded in the year **1975**, we '**Shibam Ventures & Building Materials Private Limited**' are actively engaged in service provider and distributing the Thermal Insulation and Roofing Shingle for our valuable clients. Our product range encompasses Roofing Shingles, Waterproofing Membranes and Thermal Insulations. Offered products are manufactured from the quality approved components at vendors end. Along with this product range, we are also rendering installation services of roofing shingles. Apart from this, we are offering our products at pocket friendly prices to our customer within the assured period of time.

We have associated our vendors with utmost care after a detailed market analysis. Moreover, before the final dispatch of the products, these are tested against the diverse quality parameters by the quality controller team. To satisfy our clients in an effective manner, we are offering our products in standard as well as customized configuration. For the benefit of our clients we are offering different payment options to them such as Cash, DD and Online Fund Transfer.

Under the leadership of our mentor '**Mr. Adnan Saboowala**' we are growing in the market day by day. We have achieved such a huge mile stone in this domain just because of his valuable supervision. Owing to his customer focused approach we are able to develop a wide client base.
